

Your Support Makes a Difference Every Day...

Dear friend of ABHM,

At American Baptist Homes of the Midwest, we create healthy Christian communities that empower people, providing choices for housing, services and technology that enrich body, mind and spirit.

The family member of an ABHM resident recently shared her heart-felt appreciation for that work:

"I want you to know that my sister's care providers are sent directly from heaven. They show love, take very good care of her and she is very happy. They are awesome people and make me feel so comfortable when I come over, talk to them on the phone, or have questions. They are so humble and kind. Every need she has is met and every concern she has is handled with tender loving care. Please accept a thank-you from the bottom of my heart."

With Mother's and Father's Day approaching, please consider making a gift to honor the memory of a parent or loved one who holds a special place in your heart. Whether you give \$25, \$50, \$100 or more, your generosity will make a difference in the lives of the people we serve.

Here are just a few of our more recent life enrichment initiatives:

- We are providing the Eversound system of connected headphones to ensure all hearing impaired residents can fully enjoy church services, activities, live music and conversation. (Eversoundhq.com)
- We are expanding our commitment to the Music and Memory program that brings music to those with dementia and others who simply want to enjoy "their" music. (MusicandMemory.org)
- We are introducing Virtual Realty activity programs that can transport residents to far off locations like Paris, London or their childhood home! (Rendever.com)

Our loved ones teach us that we can accomplish so much more when we work together. That principle is fundamental to our mission, and I thank you for supporting our caring communities.

I would also like to take this opportunity to wish YOU a very special Mother's Day or Father's Day!

Sincerely,
