

# Tudor Oaks Dementia & Grief Support Groups Resuming

March 9, 2021

## **Dear Families and Friends of Tudor Oaks Senior Living Community,**

We are pleased to inform you that we will be resuming our dementia and grief support groups this month. The dementia support group is designed anyone who has a loved living with dementia or would like to be of support to someone who is living with dementia. The grief support group is designed to help individuals who experienced the loss of a loved one. We know that the grieving process has been a bit more challenging due to the pandemic and we want to be able to help those on this journey.

Because we must still follow guide lines from the CDC and the Wisconsin State Health Department, the groups will be a hybrid of in-person (for our Tudor Oaks residents) and online for families and friends of our residents. We will meet on a monthly basis. The **DEMENTIA SUPPORT GROUP** will hold its first meeting on **Tuesday, March 16, 2021 at 6:30pm.** And, the **GRIEF SUPPORT GROUP** will meet on **Wednesday, March 24, 2021 at 6:30pm.** You may access both meetings via Zoom.

Please feel free to share this information with your family and friends who may find this service useful. If you have additional questions, please feel free to contact me at 414-525-6405 or email at [mpeterson@abhomes.org](mailto:mpeterson@abhomes.org) for more information.

Grace & Peace,

Reverend Michelle Peterson  
Director of Spiritual Services
