

# Note from our Executive Director

A big Hello and Happy Spring to all,

They say April showers bring May flowers and I am so looking forward to the colors and aromas that Spring brings. As was mentioned at the April Resident Council meeting, the landscaping crew has been busy cleaning up the grounds, pruning trees and getting the fountains up and running. Before you know it, residents will be flocking to the reflection pool, using our sports complex, and enjoying the beautiful grounds around us. We are very blessed to live/work at such a beautiful facility.

I want to express my thanks to the wonderful staff here who have had to work extra hard due to staffing challenges. I was in a meeting with our Advisory Board and there was much discussion around this topic. This issue isn't isolated to Tudor Oaks or even to Healthcare. This is a problem across every industry. Restaurants are shortening their hours and closing portions of their dining rooms as they don't have the staff to take care of large crowds. Retail stores are lucky if they have 2 check out lines open at a time.

We are using several approaches in our recruitment efforts. We refresh our ads weekly on sites such as Indeed. We utilize social media and streaming services to show ads to attract staff. We offer sign on bonuses, flexible schedules, and competitive wages. We work closely with the local school districts to fill positions and we have a recruitment and retention committee that meets regularly to brainstorm creative ways to find candidates. I just wanted to bring awareness regarding our efforts and share that this challenge seems to be universal at this time.

May is the month for flowers but also for Mothers. The day is happy for some and not so much for others. You may or may not have children of your own but every one of us has or had a mother So whether you are a mother or not, I wish all a very Happy Mother's Day. I will close with a quote from Confucius: "Choose a job you love, and you will never have to work a day in your life." Thank you, Anilisa

## Welcome TO THE TEAM
