Inspirational Moment

As parents, you love your children and want what's best for them. Most will move heaven and earth so that their child will always know they are loved and safe. It's the same way with God. There is no greater love demonstrated than that of God, our Father to us, His beloved children. In John's Gospel, we are reminded that God gave humanity the best gift that could be offered which was God's one and only son, Jesus. And, this act of love shows us that God's love reaches out to everyone who has the desire to receive it. God's love is a means of grace for which we can never repay the cost even if we tried. As we continue to journey through this Lenten season, let us be mindful of this precious gift of love and share it with others.

As always....God loves you, so do I and there's nothing you can do about it!

Blessings, Pastor Michelle 414-529-0100 Ext. 2105
