Who wants to see a Pool Shark in Action?

Oct.29th at 3:30pm to the Aspen Wing!

Most of you know this smiley gal as our activity assistant but she has a whole other "career" that might surprise you! Meet "TT the Pool Shark" She is our crafty life enrichment assistant by day and a pool expert by night! Who knew!

Theresa has been shooting pool since she turned 12. TT plays in four leagues and usually that means four nights a week she is hitting the table! She is both on co-ed and all-female leagues. I asked her what her speciality was and she said she is a "banker" Hmm... You will have to ask her what that is all about! I asked what the motivation is for this sport and she admitted it is the competition that she loves and the money doesn't hurt! The most she has ever won was \$3500! TT has made it to Vegas four times and doesn't plan on stopping! So if you think you got what it takes to play a game, she will show you a few things! Come to Aspen wing on Oct. 29th at 3:30PM! See you there Sharks!
