WALK

ACT.ALZ.ORG TEAM TUDOR OAKS

If you would like to join our team or make a donation, please go to the website listed above or see one of our directors. Any amount of donation helps! If you raise \$100, you will get a t-shirt. For those already signed up, you will have your t-shirt by the walk. Those signing up or raising money now, you will have your t-shirt after the walk. Please wear PURPLE on the day of the walk to show we are a unified community taking every step we can to fight Alzheimer's and dementia-related illness.

Dr. Jean Creighton FINAL Presentation!

Monday, Sept. 16th!

Monday, September 16th at 6:30pm in OWT:

Exploring Exoplanets with the James Webb Space Telescope

The world is buzzing about the James Webb Space Telescope, the largest and most powerful space telescope ever built that will serve as the premier deep space observatory for the next decade. Learn about our ever-expanding view of the universe and the search for new and exciting worlds beyond our solar system.

Bio of Presenter, Dr. Jean Creighton

Dr. Jean Creighton has always been inspired by how the cosmos works. She was born in Toronto, Ontario and grew up in Athens, Greece where her mother claims she showed a great interest in how stars form from the age of five. She studied physics at the University of Athens and went on to earn a Master's degree from Saint Mary's University in Halifax, Nova Scotia, and a PhD in Astrophysics from the University of Waterloo. She began teaching astronomy at UW-Milwaukee in 1999 and in 2007, she took over as director of UWM's Manfred Olson Planetarium.

In 2014, Creighton was selected by NASA to be an Airborne Astronomy Ambassador and spent 20 hours in the stratosphere on SOFIA, the largest moving observatory in the world. She's very proud to have shared the cosmos with over 150,000 members of the community.

Please welcome Shelly Smith as our new Director of Nursing for the Health Center. Shelly comes to us from Kenosha and has spent the last 25 years as a RN. She has worked in community care, hospice, long term care...you name it – she’s done it! Her last employment was at the Veteran’s Hospital in Union Grove. As for her “main squeeze” Shelly has a dog named Fizzlekins, or better known as Izzy. Izzy is a 14-year-old Pug who still has spunk left! If you are a Pug lover, I am sure Shelly would love to show you a picture! Shelly also loves to draw, paint and make her own greeting cards especially at Christmastime! She has quite the collection! Please welcome her with a smile and a warm welcome!

Storytellers Thursday PDR 10:30am

September 5: Tell us about an unexpected act of kindness.

September 12: Besides curriculum subject matter, what is something you learned in school?

September 19: If you could relive one school experience, what would it be and why?

September 26: Tell us about a time when someone has had an impact on your life possibly without even knowing it.

Fall Garage Sale !!!

We need you! Please tell your friends and family to donate or bring them to shop! We are accepting items now! Please sign up for item pick up in the library. We will not be accepting any clothing, books, records, cds, dvds. Thank you for your donations as every little bit helps! And remember... your trash could be your neighbor's treasure! WOMEN'S CLUB

Join Us the 2nd & 4th Saturday at 10:00AM in the PDR

September appears on our calendars and we begin to think of fall leaves, football, cooler nights, and WOMEN'S CLUB! YES, ladies, we will resume our Women's Club meetings the 2nd and 4th Saturdays of each month beginning Saturday, September 14th at 10:00 a.m. in the PDR. Bring your coffee (or beverage of choice), topic suggestions, and enjoy a time with your friends. We'll talk a little, laugh a little, and learn a little. So, let's get back together on the 14th and plan a year of interesting programs. Any questions, contact Beth Stuart at 414-367-2127. See You Soon!
