Come join us Saturday, Dec. 14th and get immersed in the Christmas spirit! We will meet at 10:00 a.m. in the PDR. We'll enjoy some holiday music and treats as we share and learn about Christmas customs around the world. This will be a fun sharing and learning time, so dig out those Christmas decorations you have picked up from your world travels; share your own family traditions; dig through your recipes and bring a favorite holiday recipe others might want to try that showcases your heritage; or go online and find interesting holiday customs to share from another country! This will be our only meeting in December, so don't miss it! Any questions, contact Beth Stuart at 414-367-2127.
