RMHC

Eastern Wisconsin

Ronald McDonald Charity House will be at Tudor Oaks On Friday, Nov. 22nd to share their new expansion, their mission and all they do for their guest families as well as how anyone else can help out.

The presentation essentially acts as a virtual tour of the House so everyone can see the amazing spaces! There will be both photos and a video which shares a message from the CEO. RMCH also has a "wish list" with a variety of small items. This list will be at the presentation. We will have a dedicated special tree (location TBD) where we will be gathering wish list small items and tabs as well! Please keep saving your tabs!

- 2,359 families were served for a total of 18,359 nights
- 32,909 service hours provided by our 400+ volunteers
- 347 complimentary meals were provided for our families

5TH GRADERS EVERY OTHER TUESDAY!

3:30 IN THE OWT

These are students from across the path at the new middle school! They walk over after school with two dedicated teachers. We have a great group this year and they are excited to get to know all of you! They come with small group activities planned but would love to hear about your past!
