Come Meet
~*Magic Mason*~
14-year-old Magician!

This "Kid "is NO JOKE! He has been performing magic tricks and putting on shows for 9 years! How is that possible?! He must be good to be traveling the country as well as he has been hired for weddings, corporate events and senior homes! Mason lives in Muskego and attends Catholic Memorial, which, being a student, is his first priority. When not in class, he runs his business called "Magic Mason." His website is Magic-Mason.net
Come Jan. 20th and see for yourself!
You might learn a trick or two!

January Women's Club News:

Make a New Year's resolution to join us! All are welcome!

January 11th and the 25th at 10:00 am in the PDR.

We'll set sail on the 11th with **Barb Yahr** at the helm as we see and hear the adventurous experiences she and her husband had while living on their sailboat for nearly a year! She will share a video of the trip and share her diary with us.

On January 25th we will view the video, Milwaukee: A City Built on Water. We will learn how the Milwaukee River and Lake Michigan spurred Milwaukee's growth. The settlers used rivers and Lake Michigan to transport grain, lumber, leather and beer. Yet water was just as important for play as it was for work as the Milwaukee River became a destination for fun! Learn how the lower Milwaukee River was eventually reduced to an open sewer by 1900, with Lake Michigan suffering similar indignities. Only in recent decades have the currents turned for the better. From the Milwaukee River Greenway to the reborn Menomonee Valley to the cultural theme park on our downtown lakefront, the patterns of the past are being reversed, providing cause for celebration as well as concern.

So come out and enjoy an interesting voyage, learn more about our river, and enjoy the fellowship of friends. What more could you ask for? See you on the 11th and 25th at 10:00 a.m. in the PDR. Any questions, contact Beth Stuart at 414-367-2127.
